

A photograph of a forest floor covered in brown pine needles. A path of white paper boats, each with a thin stick protruding from its base, is laid out on the ground. The path starts in the foreground and curves towards the background. In the upper right, the lower legs and feet of several people are visible, suggesting they are observing the installation. The scene is outdoors, with large tree trunks on the left and a glimpse of a body of water in the distance.

Grazie Rosalia per i sentieri tracciati, per le vie che ci hai indicato...le tue tracce rimarranno indelebili nel nostro cuore come possibili sogni da seguire e melodie da ascoltare.

Buon viaggio e sempre vento in poppa!!!
